

Are you wondering how to reduce the environmental impact of your house or garden?

# House & Garden Audit Workshops

Find out how to calculate and reduce your environmental impact at our **free** House & Garden Audit workshops! Speakers and exhibitors will be showcasing green practices you can utilize inside and outside your home.

## Workshop Locations and Dates:

### Napa Workshop

**Monday, April 21**

**6-8:30pm**

**Napa Library, 580 Coombs St. Napa, CA 94559**

### Fairfield Workshop

**Tuesday, May 6**

**6-8:30pm**

**Fairfield Cordelia Library**

**5050 Business Center Dr. Fairfield, CA 94534**

All participants will receive a **FREE** 135-page full-color guidebook on all of the topics covered in the workshops!

To RSVP or learn more information about the workshop, contact Stephanie Young at (707) 252-4188 x111or [steph@naparcd.org](mailto:steph@naparcd.org).

*Funding for the House & Garden Audit workshops generously provided by the **CALFED Bay-Delta Program**.*
